BROOKLAND JUNIOR SCHOOL
HILL TOP
HAMPSTEAD GARDEN SUBURB
NW11 6EJ

Dear Parents/Carers,

PLAYGROUND EQUIPMENT

The fenced off metal play equipment (see photo) next to the lower playground is very big as it has been made to junior age specifications. If you wish your junior child to be allowed to play on the equipment during school time (golden time) please return the slip below so that all supervisory staff may be informed.

All our playground equipment meets all the necessary safety requirements but I must ask that you do not allow children of any age to play on it before or after school while you are waiting in the playground. The school cannot be responsible for accidents when children are being supervised by their parents.

For your child to be able to use the play equipment, please give consent in Arbor (the school's data collection portal <https://brookland-junior-school.uk.arbor.sc>) before your child starts at Brookland Junior School.

Yours sincerely

J Aylen
Head Teacher
